Education Program and Review Agency. In spite of how you may feel on whether or not we ought to have a mechanism for planning and for review of higher education, if we are going to have one, we ought to have some funds to make it operate. So I would ask you to advance 1172A.

SENATOR V. JOHNSON: There are no lights on with respect to LB 1172A. Once again, the motion is to advance this measure to E & R Initial. Record, please.

CLERK: 26 ayes, 0 nays, Mr. President, on the motion to advance the bill.

SENATOR V. JOHNSON: And LB 1172A is advanced. Now, Mr. Clerk, do you have anything to read in before we go off for lunch?

CLERK: Mr. President, I seem to have some difficulty up here.

SENATOR V. JOHNSON: You're having difficulty?

CLERK: Well, a little. Mr. President, your Committee on Enrollment and Review reports LB 993 to Select File, LB 994, LB 996, LB 1131, LB 1017, LB 881, LB 929, LB 930, LB 1177, LB 1063, and LB 1048 all to Select File, some of which have E & R amendments, Mr. President. (See pages 1465-68 of the Legislative Journal.)

Mr. President, new resolution, LR 371, by Senator Sieck. (Read brief summary of resolution. See page 1469 of the Journal.)

Mr. President, Senator Beyer has amendments to LB 1004 to be printed. And that is all that I have, Mr. President. (See page 1469 of the Journal.)

SENATOR V. JOHNSON: Thank you. I would like to call upon our Speaker to recess us for lunch. Would you do that, Speaker Nichol, please. You are pointing to Senator Pirsch to do that? You are pointing to Senator Hall to do that. All right.

SENATOR HALL: Mr. President, I would move that we recess until one-thirty this afternoon.
